

Gotta Be You (feat. Herbie)

3T

It's gotta be you (bomb your head to this)

It's gotta be you
No one else can do
All the things you do
I miss the way you feel
Can't believe you're gone for real
I gave you all I had
A lover's paradise gone bad
I see you in the movies
And on the paper
And in every face I know
I'm trying to forget you
But I can't, girl
True love is not for show

It's gotta be you
No one else can do
all the things you do
It's gotta be you
Give me one more chance

To get next to you

It's gotta be you

(HERBIE):

It's gotta be you
Really what I need
Really what I want
And I really know
I really want you back
You got me like a zombie
Nymphomaniac gettin' numb

So you really miss

My little kitty cat

It's gettin' kind of crazy

Grounds gettin' shaky

Got myself a triple hit

And everything is black

Crowned it like a bomb built me up

And now you're gone

'Cause you let me have a friend

I'm bad, that's a fact

I see you in the movies
And on the paper
And in every face I know
I'm trying to forget you
But I can't girl
True love is not for show
It's gotta be you (it's gotta be you)
No one else can do
all the things you do
It's gotta be you (it's gotta be you)
Give me one more chance
To get next to you
It's gotta be you (it's gotta be you)
I need a second chance
I need sometime to understand
Is this how it all will end
No explanations in your game
Bomb your heads to this, come on you
