Blue Jean Bop

Stray Cats

Blue Jean baby
With your big blue eyes
Don't want you looking at other guys
Got to make you give me one more chance
I can't keep still so baby let's dance
Well blue jean bop is the bop for me
Well it's the bop that done in dungarees
You dip your hip you free your knees
Spin on your heel baby one, two, threeBlue jean bop
Blue jean bop, baby blue jean bop
Blue jean bop, baby blue jean bop
Baby won't you bop with meWel blue jean baby when I bop with you
Well my heart starts hoppin' like a kangaroo
My feet do things they never done before
Well blue jean baby give me more more more
