

# Heavens to Betsy

## Vanna

lets run like kids at play  
and hold our breath  
until our hearts stop beating  
hearts stop beating  
let my last thought  
be something i hold dear  
let my last breath  
be something i hold [DEAR]  
something i hold to my self  
keep locked away inside  
i tried my best  
is it enough  
hold your breath  
is it enough
