## Saxmeister

You're so wonderful, I adore you,  
I adore you, I adore you, Victrola. You're so audio, don't remove me,  
To a movie, I am grooving, Victrola. Ahhh... Happy New Year  
Ahhh... Happy New Year  
Ahhh... Happy New Year  
Ahhh...  
Ahhh...  
Ahhh...  
Ahhh... Happy New Year  
Ahhh... You're my winter love,  
I can lie here  
With you so near  
We both live here  
Happy New Year,  
You're my sweet dear Victrola Victrola-ahhh-ahhh.
