

Halo

Texas

Bright light city
You're her religion
Superstars in their own private movie
Play just like childrenLies that take her
Places she's never seen
The kiss and tell of it all
To her it seems so obsceneShe's so pretty
Her hair is a mess
We all love her
To that we confessShe has a halo
We really do adore her
For she has a halo
Can we touch herFor their blindness
She sees much further
Like on a wide-screen viewing
Going down on herShe's so pretty
Her hair is a mess
We all love her
To that we confessShe has a halo
We really do adore her
For she has a halo
Can we touch herShe believes in everything
She believes in nothing, in everythingHalo, halo, halo, halo
Halo, halo, halo, haloShe has a halo
We really do adore her
For she has a halo
Can we touch herShe has a halo
We really do adore her
For she has a halo
Can we touch herShe believes in everything
She believes in nothing, in everything
She believes in everything
She believes in nothing, in everythingFor she has a halo
She has a halo
