Pull Back the Reins

Comeback Kid

I can't win. I'm writing it off
My back's pinned to the wall
Pull back, pull back, pull back the reins
There's no doubt that all the fuss has just made a mess out of me
Pull back. Pull back. Let the cycle run its courseRemind me again, so I can re-learn
Give me a crash course on how this works
I know I've given ample advice
But as it seems the constant struggle
Has made an example of me
Has made an example out of meI can't win. I'm writing if off
My back's pinned to the wall
Let it run, let the cycle run, let the cycle
Let it all run out its course
I'm doing more harm every time I use force
Let the cycle run out because
When it's done there'll be something elseI didn't ask for this, but I keep embracing it
I'm gonna stay. I'm gonna stay
This has chosen me
I'm gonna stay. I'm gonna stay
This has chosen me
I'm gonna stay. I'm gonna stay
I'm gonna stay. I'm gonna stay
This has chosen me
I'm gonna stay. I'm gonna stay
I'm gonna stay. I'm gonna stay
This has chosen me
I'm gonna stay. I'm gonna stay
