Crazy

Prince Royce

You got me crazy, crazy
Turn me on (will you be my lady, lady)
Turn me on (you got me crazy, crazy)
Turn me on (will you be my lady, ladddyyy)
Oooo you turn me on
When I walk in the club I can feel she got that swag
Shes in the eye of the track I know it's been moving fast
Oooo I can hold her body
She only wears armani
And everything she do ... ooo she turns me on
You got me crazy, crazy
Turn me on (will you be my lady, lady)
Turn me on (you got me crazy, crazy)
Turn me on (will you be my lady, ladddyyy)
Oooo you turn me on
Hey, I can ride in the front of the club ,I can take you home
Just bring your friends and I bring my boys we can put on a show
Ooo I wanna tear that body
Tell me what you want nuvo or bacardi

That henny or that goose
Ooo you turn me on
You got me crazy, crazy
Turn me on (will you be my lady, lady)
Turn me on (you got me crazy, crazy)
Turn me on (will you be my lady, ladddyyy)
Oooo you turn me on
Baby, show me what you got and we can party
Let me shake your body, and get
Freakyyyy
Baby yo quiero aguarate y yo quiero tocarte
Baby, show me what you got and we can party
Let me shake your body, and get
Freakyyyy
Baby yo quiero aguarate y yo quiero tocarte
You got me crazy, crazy
Turn me on (will you be my lady, lady)
Turn me on (you got me crazy, crazy)
Turn me on (will you be my lady, ladddyyy)
