Hello Young Lovers

Perry Como

Hello, young lovers, whoever you are
I hope your troubles are few
All my good wishes go with you tonight
I've been in love like youBe brave, young lovers and follow your star
Be brave an' faithful an' true
Cling very close to each other tonight
I've been in love like youI know how it feels to have wings on your heels
And to fly down the street in a trance
You fly down the street on a chance that you'll meet
And you meet, not really by chanceDon't cry, young lovers, whatever you do
Don't cry because I'm alone
All of my memories are happy tonight
I've had a love of my own
