

# Move Your Body Girl

Nina Sky

Move your body, girl, makes the fellaz go  
It's the way you ride it, girl, makes the fellaz go  
Move your body, girl, makes the fellaz go  
It's the way you ride it, girl, makes the fellaz go  
All up in the club, looking fly  
Made your first approach, then caught his eye  
Slowly move our way towards the dance floor  
Grabbed her hand then she whispered  
Whole night has gotten through  
Stand behind me, let me crack a groove  
I lick my lips while I'm feeling you  
Now I'm going to make you go  
Move your body, girl, makes the fellaz go  
It's the way you ride it, girl, makes the fellaz go  
Move your body, girl, makes the fellaz go  
It's the way you ride it, girl, makes the fellaz go  
Wow, take it slow  
(You're feeling it now, you turning me on)  
Club gets warmer, bodies move closer  
(Warmer, closer)  
Go on wit the rhythm, don't stop moving  
You're making me hot  
From head to toe, I feel your flow  
Thighs get stronger, party seems longer  
(Stronger, longer)  
Make me really want ya  
Don't stop moving  
You're making me hot  
Move your body, girl, makes the fellaz go  
It's the way you ride it, girl, makes the fellaz go  
Move your body, girl, makes the fellaz go  
It's the way you ride it, girl, makes the fellaz go  
Move your body, girl, makes the fellaz go  
It's the way you ride it, girl, makes the fellaz go  
Move your body, girl, makes the fellaz go  
It's the way you ride it, girl, makes the fellaz go  
Can you feel the beat?  
(Can ya, can ya feel the beat?)  
Can you feel the beat?  
(Can ya, can ya feel the beat?)  
Can you feel the beat within my heart?  
Can't you see my love shine through the dark?  
Can ya feel the beat?  
Can you feel the beat within my heart?  
Can't you see my love shine through the dark  
Can't you see that you must be a part  
Of that beat in my heart?  
Move your body, girl, makes the fellaz go  
It's the way you ride it, girl, makes the fellaz go  
Move your body, girl, makes the fellaz go

It's the way you ride it, girl, makes the fellaz go  
Move your body, girl, makes the fellaz go  
It's the way you ride it, girl, makes the fellaz go  
Move your body, girl, makes the fellaz go  
It's the way you ride it, girl, makes the fellaz go
