

# Only Sixteen

**Dr. Hook**

She was only sixteen, only sixteen  
But I loved her so  
But she was too young to fall in love  
And I was too young to know We'd laugh and we'd sing, and do funny things  
And it made our hearts glow  
But she was too young to fall in love  
And I was too young to know So, why did I give my heart so fast?  
It never will happen again  
But I was a mere child of sixteen  
I've aged a year since then She was only sixteen, only sixteen  
Oh with eyes that would glow  
But she was too young to fall in love  
And I was too young to know So, why did I give my heart so fast?  
It never will happen again  
But I was a mere child of sixteen  
I've aged a year since then Now, she was only sixteen, only sixteen  
Oh but I loved that girl so  
But she was too young to fall in love  
And I was too young to know  
Yes she was too young to fall in love  
And I, I was too young, I was much too young to know
