Something to say  
When you're so far away  
And everything flies right by  
Like a dream  
You're stuck in your tracks  
There's no turning back  
I wish I could pull you close  
Inside of me  
Girl, if it's alright, a 100%  
It's intellectual, I wanna let you know  
I won't let you go until you say please  
Girl, if it's alright, a 100%  
It's intellectual, I wanna let you know  
I won't let you go until you say please  
How could you forget  
The way that we met?  
The street corner lights on fire  
Like a dream  
And since you've been gone  
It's been to each his own  
We'll never be side by side  
Or so it seems  
Girl, if it's alright, a 100%  
It's intellectual, I wanna let you know  
I won't let you go until you say please  
Girl, if it's alright, a 100%  
It's intellectual, I wanna let you know  
I won't let you go until you say please  
Girl, if it's alright, a 100%  
It's intellectual, I wanna let you know  
I won't let you go until you say please  
Girl, if it's alright, a 100%  
It's intellectual, I wanna let you know  
I won't let you go until you say please  
A 100%
