

A Little Too Loose (Remastered Album Version)

Mr. Big

Misguided woman knows my name
Ain't got nobody else to blame
I got a girl back home
She's waiting all alone Ten weeks of rock and roll arcade
Seems like a year since I've been paid
I got to let it go, no one will ever now I got a little too loose
In Oklahoma City
I didn't care if she was young
Didn't care if she was pretty
I got a little too loose
A little too loose
A little too loose, oh, oh, oh. Keep little secrets far too long
Guess that I'll put them in a son
I got to let it go, no one will ever know
