

# Happy Again

## Mandy Harvey

It's temporary, missing you these days I know you're coming back to me

When I feel the pain in so many ways

And I pray, you'd never have to leave I'm not happy

Without you

The snow

Doesn't dance around

It falls

And the leaves are changing

From red to blue

I'm not singing

Without you

I've learned

These songs full of light

All I do is wish

That you would come home

To my arms

And I will be happy again
