

# One Of Those Nights

## Juicy J. Feat. The Weeknd

[Ayana]

Think it's gonna be one of those nights  
one of those nights again  
Think it's gonna be one of those nights  
smoked out with my friends

[SPM]

We from the H home boy  
Hustle Town Texas  
A.K.A Screwston, O's and X's  
And you plexas leavin in stretchers  
Ya'll aint deep enough  
you need to call up your extras  
Hater hurter, the mic I'ma murda  
Swanger and a swerver  
with a jar that say gurba  
I aint the biggest, Im the baddest  
Servin dope addicts, bad temper, bad  
manners, and bad habit's  
It dont matter muthafucka, if you need it  
I can send them to the valley pick aE†?em up and retrieve aE†?em  
Association by affiliation  
about to hit 200 on the freeway when you see me racing

[Ayana]

Think it's gonna be one of those nights  
one of those nights again  
Think it's gonna be one of those nights  
smoked out with my friends  
Think it's gonna be one of those nights  
one of those nights again  
Think it's gonna be one of those nights  
hand on my Mack-10

[Uchie]

In the hilla, with my killa  
blowin hogwa  
See me comin in the Benz or the Jaguar  
And them niggas say aE†?Uch thats a bad car.aE†?

Young gangsta but heading like Haggler  
And tell them money aint the answer to your problem  
Got the monkey on my back and I cant drop aE†?em  
In the city where the cop can get wiggy  
Everybody do this to the piggy  
If you want to sip one the remy  
I appreciate the love that you give me  
So tonight, I'ma chill and write lyrics  
And smoke dro with my girl-friends parents  
FOLLOW ME!

[Ayana]  
Think it's gonna be one of those nights  
one of those nights again  
Think it's gonna be one of those nights

[SPM]  
I'm a Screwston sipper

I'ma come home with my shirt full of glitter  
Jump my 45er

Smoke so much kill I got no more saliva  
Love for the South sider and the North sider  
I might accidentally get you for your lighter  
I'ma street fighter  
some dont like the  
boy that got more snow flake than Tony the Tiger  
I'ma get a Viper  
who wants the Benz?  
I'ma represent S.U.C. and Dead Endz  
Fall in the place  
fine hos in my face  
Peace to Engrando and the D-H  
Love for the East side  
And the South West  
Ecko on my chest  
and I sit on the Guess  
Packin my pump  
pass me the blunt

Fuck goin gold  
Im just trying to win the Cannibus cup  
WHAT???

[Ayana]  
Think it's gonna be one of those nights  
one of those nights again  
Think it's gonna be one of those nights  
smoked out with my friends  
Think it's gonna be one of those nights  
one of those nights again  
Think it's gonna be one of those nights  
hand on my Mack-10
