Father, Father

Laura Mvula

[Verse 1:]
Father Father let me love you
Saw you wonderin in my dream last night
Singing wonder wonder what you might do
You can't simply hide a dream in the blue[Chorus:]
Don't try to fight, don't let me go
You've gone too far from what I know
I lost my heart in the dark with you
Father father, why you let me go?
Father please don't let me go[Verse 2:]
Brother brother let me love you
Whisper all your deepest fears, you can trust me
And when it's over we can begin
Finally to make amends, try to save us[Chorus:]
Don't try to fight, don't let me go
You've gone too far from what I know
I lost my heart in the dark with you
Father father, why you let me go?
Father please don't let me goLet me love you
Let me love you
Let me love you
Let me love you[Chorus:]
Don't try to fight, don't let me go
You've gone too far from what I know
I lost my heart in the dark with you
Father father, why you let me go?
Father please...
Father please don't let me go
Father father, why you let me go?
Father...
Father please don't let me go
Father father, why you let me go?
Father...
