Trappin' is a must, I be servin' all da time, man
I'm posted on the crest with the bricks, pills and pounds
Old school Chevy 20 inches off the ground
Blowin' on this kush and roll it straight up out the pound
32 ENT dog we constantly workin'

Flyin' down 20 and we all smokin' purple
Twerkin' 5 phones we'll call em' chirp mobiles
Movin' units dog, that's a every day hobby
20,000 dollars for the juice to go shoppin'
50 karat bracelet, 80 karat chain
Spendin' big gwap 'cause money ain't a thang
I be movin', I be joogin', I be bussin' niggas heads
With this A1 recipe, got me all this bread
I'ma stay 10 toes and try to duck the feds
Young juiceman bitch, and I ain't never scared
I be trappin', I be trappin'
I be workin', I be twerkin'
I be movin', I be joogin'
I be bussin' down dem birds
I be trappin', I be trappin'
I be workin', I be twerkin'
I be movin', I be joogin'

I be bussin' down dem birds
I be trappin', I be trappin'
I be workin', I be twerkin'
I be movin', I be joogin'
I be bussin' down dem birds
