

Bring Me Down Pt.3 (feat. Joe Budden)

Saigon

You've ever get the feeling
No matter what they do no matter what they say
You know you'll make it someday You know the feeling when your back is up against the wall
People say they love you but you ain't convinced at all
Tell them they full of shittin' they'll tell ya you insecure
Callin' ya immature does that make sense to y'all?
You ever feel like it's you against the whole world?
Like everybody is scheming even your own girl
Your home boys seem to be counting your money
Tell 'em you ain't got it 'n' he lookin' at you funny
I'm feeling like I probably need ta either leave the game alone
Or either be the cheater bang the chrome 'n' get his name known
How does the Saigon story end how
Know what they sayin' for now? They'll say I'm killer
I feel I'm as high as I can be
And y'all ain't gon' fly as high as me
I can't be no reala'
Y'all ain't gon' bring me down
Y'all ain't gon' bring me down
Y'all ain't gon' bring me down
I can't be no reala'
Y'all ain't gon' bring me down
Y'all ain't gon' bring me down
Y'all ain't gon' bring me down
Y'all ain't gon' bring me down
Y'all ain't gon' bring me down I'm too high but it's not from a drug
It's not from a drink not from a night at the club
It's not from a broad
It's not from what I coped from the deala'
I would tell ya
But if I tell ya
Then I gotta kill ya
The greatest story is me and I'm kinda scared
It's ill like a vet that's still wet behind the ear
Some niggas look hard
But I don't feel a threat behind the stares
I'm looking for Vics
And they could be volunteers
How dare somebody jump out the window to try an' stop me

I wait for niggas then shoot 'em like I was a paparazzi
That Just Blaze knockin' the Maserati
I jump out the back and turn ya block into Nagasaki
I shouldn't have always make a issue with the pistol
Just to prove to kids he's official tissue to the gristle
How does the Saigon story end how
You know what they sayin' for now? They'll say I'm killer
I feel I'm as high as I can be
And y'all ain't gon' fly as high as me
I can't be no reala'
Y'all ain't gon' bring me down
Y'all ain't gon' bring me down
Y'all ain't gon' bring me down
I can't be no reala'
Y'all ain't gon' bring me down
And y'all ain't gon' fly as high as me
I can't be no reala'
Y'all ain't gon' bring me down
Y'all ain't gon' bring me down
Y'all ain't gon' bring me down
I can't be no reala'
They'll say I'm killer
I feel I'm as high as I can be
And y'all ain't gon' fly as high as me
I can't be no reala'
Y'all ain't gon' bring me down
Y'all ain't gon' bring me down
Y'all ain't gon' bring me down
I can't be no reala'
Y'all ain't gon' bring me down
And y'all ain't gon' fly as high as me
I can't be no reala'
Y'all ain't gon' bring me down
Y'all ain't gon' bring me down
Y'all ain't gon' bring me down
Y'all ain't gon' bring me down
I can't be no reala'
Y'all ain't gon' bring me down
Y'all ain't gon' bring me down
Y'all ain't gon' bring me down
Y'all ain't gon' bring me down
Y'all ain't gon' bring me down
They'll say I'm killer
I feel I'm as high as I can be
And y'all ain't gon' fly as high as me
I can't be no reala'
Y'all ain't gon' bring me down

Y'all ain't gon' bring me down
Y'all ain't gon' bring me down
I can't be no reala'
Y'all ain't gon' bring me down
