Fire In the Morning

Melissa Manchester

I know it's late to call
I don't blame you if you're angry
But these are things that only
Old lovers understandI remember rainy nights like this when
We'd go to bed real early
And try to catch each other's dreams
And wake up holding handsWe'd light a fire in the morning and
Keep it burning strong
Outside it could be storming
But we never felt so warm
We'd curl up on the couch
And trade the world for our love song
We'd light a fire in the morning and
Make love all day longI hope you know it's not that
I've got no one else to go to
'Cause I keep thinking of you
Even when I'm not aloneNow I'd love to hear you say I'm still
The one you can't say no to
That you'll take me back tonight
For all the love we've knownWe'd light a fire in the morning and
Keep it burning strong
Outside it could be storming
But we never felt so warm
We'd curl up on the couch
And trade the world for our love song
We'd light a fire in the morning and
Make loveWe'd light a fire in the morning and
Keep it burning strong
Outside it could be storming
But we never felt so warm
We'd curl up on the couch
And trade the world for our love song
We'd light a fire in the morning and
Make loveWe'd light a fire in the morning and
Keep it burning strong
Outside it could be storming
But we never felt so warm
We'd curl up on the couch
And trade the world for our love song

We'd light a fire in the morning and
Make love all day long
