

Fire In the Morning

Melissa Manchester

I know it's late to call
I don't blame you if you're angry
But these are things that only
Old lovers understand I remember rainy nights like this when
 We'd go to bed real early
 And try to catch each other's dreams
And wake up holding hands We'd light a fire in the morning and
 Keep it burning strong
 Outside it could be storming
 But we never felt so warm
 We'd curl up on the couch
 And trade the world for our love song
 We'd light a fire in the morning and
 Make love all day long I hope you know it's not that
 I've got no one else to go to
 'Cause I keep thinking of you
Even when I'm not alone Now I'd love to hear you say I'm still
 The one you can't say no to
 That you'll take me back tonight
For all the love we've known We'd light a fire in the morning and
 Keep it burning strong
 Outside it could be storming
 But we never felt so warm
 We'd curl up on the couch
 And trade the world for our love song
 We'd light a fire in the morning and
 Make love We'd light a fire in the morning and
 Keep it burning strong
 Outside it could be storming
 But we never felt so warm
 We'd curl up on the couch
 And trade the world for our love song
 We'd light a fire in the morning and
 Make love We'd light a fire in the morning and
 Keep it burning strong
 Outside it could be storming
 But we never felt so warm
 We'd curl up on the couch
 And trade the world for our love song

We'd light a fire in the morning and
Make love all day long
