

Before We Die

Boy Hits Car

Before we die Can the gracious night learn to protect us?
The sun sealed the day, after painting canvas sky beautifully
And now I watch the people rolling by my window
Wondering, if they have found what they are looking for 'Cause everyone has the sad song inside
That will forever keep us alive So where are you? Oh, my listless one
Are you still there writhing in what is gone?
Because if we don't go within then we may go without
Elation left to follow the silhouette of secrets Protruding evening, perhaps searching for
A new world before, before they die
"Cause everything wants to give its gift
To this silent world, before they die, die Where are you? Oh, listless one
Are you still there writing a sad song?
And will protect our love and, oh, how I long for
The rolling hills covered in nothing green grass
Where our thoughts will in touch our skin Can the gracious night learn to protect us?
The sun sealed the day, after painting canvas sky beautifully
And now I watch the people rolling by my window
Wondering if they have found what they are looking for 'Cause everyone has the sad song inside
That will forever keep us alive
'Cause everything wants to give its gift
To this silent world, before they die, die
