

Tough Enough (4.09.2006, Raadio 2)

Vanilla Ninja

Baby only the strong would survive
Over mysteries of life
Only fantasy keeps you away
In the
Lonely fields of those broken shields So keep on kicking
The bomb is ticking
Don't
Stop, don't be a runaway
Go for the fire
Baby are you tough enough
Just keep on living
And
Don't start giving
The devil good reasons
To get you in the seasons of heartbreak
Baby are
You tough enough (Baby are you tough enough)
Yeah my skin is a dangerous place
Never trust
My smiling face
With a touch I can change all your dreams
And my kiss can wake feelings you can't
Take So keep on kicking
The bomb is ticking
Don't
Stop, don't be a runaway
Go for the fire
Baby are you tough enough
Just keep on living
And
Don't start giving
The devil good reasons
To get you in the seasons of heartbreak
Baby are
You tough enough (Baby are you tough enough)
(Baby are you tough enough) I
Will meet you there
'Cause I need you there
Oh tonight So keep on kicking

The bomb is ticking
Don't
Stop, don't be a runaway
Go for the fire
Baby are you tough enough
Just keep on living
And
Don't start giving
The devil good reasons
To get you in the seasons of heartbreak
Baby are
You tough enough(Baby are you tough enough)
(Baby are you tough enough)So keep on kicking
The bomb is ticking
Don't
Stop, don't be a runaway
Go for the fire
Baby are you tough enough
Just keep on living
And
Don't start giving
The devil good reasons
To get you in the seasons of heartbreak
Baby are
You tough enoughBaby are you tough enough
