Catch Me Daddy

Janis Joplin

Hon, I'm so alone.
Hey daddy, daddy, daddy, daddy, now now now.
Now, now, now!!!
Now, now, now!!!
Alright!!!
Alright!!!
Alright!!!
Alright!!!
Yeah!!! ha ha ha ha ha, yeah!Hon, when I'm sittin' round late in the evenin', child,
Wonderin' why, why, why did I ever leave, whoa.
And I said I sit around and I'm a-wonderin'
Why, why did I ever leave,
Hey, I gotta know now.
Well, I went out searchin' for somethin', baby,
I left it behind me, honey, now I see, yeah.
Well alright, well alright.Well I guess I move once too often, babe,
I woke up and found myself alone.
Whoa, I guess I moved just one too many times,
Woke up an' found myself alone,
Hey, I don't like it!
Well, cold sheets made me realize
Catch me, daddy, 'cause I'm movin' on.
Hey, hey, whoaaa!!!Come on up, come on up, come up I've got to move on
Come on up, because I've got to go
Because I got to find me my baby, yeah
You know I got to find me my baby, yeah
You know I got to find me my baby, yeah, yeah, yeah, yeah,
I said every day I've been searchin' babe,
Whoa, lord, every night.
I said now every day I've been searchin' babe,
Honey I want to tell you it ain't right.
I said every day now, now, now, now, now, now
Every day now, now.
I said every day now, now, now, now, now, now
Every day now, now.
Oh won't you take it on down,
Yeah, take it on down now now,Softer babe, a little softer babe,
Hum hum.Oh, I like it like that,
Said I like it like that,

Feels so good to me,
Feels so good to me,
Honey I want you to like it, too.
Hey hey hey, oh woman hey hey hey.
Talkin' 'bout my baby,
Talkin' 'bout my baby,
Talkin' 'bout my baby, baby,
Talkin' 'bout my man.You know, I want ya, need ya, I gotta have ya
'cause I want ya need ya, I gotta have ya
'cause this my-my-my-my-my-my-my-man now now now
My-my-my-my-my-my-my-man.
Honey I want you I need you, babe I've gotta have you,
I want you I need you, babe I've gotta have you,
'cause this my-my-my-my-my-my-my-man now
My-my-my-my-my-my-my-man.
Every morning I realize, whoa babe every night
Said now, every morning I realize,
I said, "janis, you know it ain't right".Comin' home, babe,
Yeah, hey, comin' home, babe,
Yeah, yeah, comin' home, babe
Yeah, yeah, comin' home, babe
Hey, hey, comin' home, babe.
Hey, hey, comin' home, babe.
Hey, hey, comin' home, babe.
Whoaaa!! whoaaa!! yeah.Oh, I might take a plane, baby,
I may take a train, baby.
Oh, I guess I might finally work it out,
'cause I gotta, gotta, gotta,
I say alright!
Oh!

Gonna take, take, take your ride and roll,
Whoaaa, if you see me an' my baby, comin', oh, come on, oh yeah, comin' home, alright!
