

# Follow You Down (Keys N Krates Remix)

Zedd

Fading, so slow, black hole  
I feel it slipping away  
We're all we've got  
If you're lost I'm diving in after you  
I would touch the sun I'd come undone  
It's true, I'd fall for youWherever you go, whatever you do  
You know I'll follow you down  
Wherever you go, if ever you lose your ground  
I'll follow you down  
I'll follow you down  
Follow you  
Down, down, down, down, downWherever you go, whatever you do  
You know I'll follow you down  
Wherever you go, if ever you lose your ground  
I'll follow you down  
I'll follow you down  
Follow youYou're lost, worn out, face down  
Don't know where you're headed to  
Right here, right now, somehow I  
I'll light the way up for you  
I would touch the sun I'd come undone  
It's true, I'd fall for youWherever you go, whatever you do  
You know I'll follow you down  
Wherever you go, if ever you lose your ground  
I'll follow you down  
I'll follow you down  
Follow you  
Down, down, down, down, downWherever you go, whatever you do  
Wherever you go, whatever you do  
Wherever you go, whatever you do  
You know I'll follow you down  
Wherever you go, if ever you lose your ground  
I'll follow you down
