

My Broken Heart Belongs To You

[Willie Nelson](#)

I lost my mind so long ago
I wanted everyone to know
I wanted everyone to see
My broken heart belong to me
I go beyond the thought of you
And a broken heart was nothing new
I wanted everyone to see
My broken heart belong to me
And now as autumn fills the air
I feel your spirit everywhere
And now my fears are coming true
My broken heart belongs to you
And now as autumn fills the air
I feel your presence everywhere
Now my fears are coming true
My broken heart belongs to you
And now my fears are coming true
My broken heart belongs to you
