

# Brand New Day

## Boiling Point

If my life was a dream  
Would you come and sleep beside me?  
If it's real (If it's real)  
How it feels (how it's real)  
Would stay right here with me?  
Fantasies of your love  
Girl I'm so glad that I've found you  
I would dance to the sound  
Of your heartbeat everyday  
If i had the chance to  
Make you understand to  
Maybe I would find the words to say  
You know where I'm going  
I can see you going  
Baby, it's a brand new  
Brand new day  
Habibi habibi I  
Habibi habibi I  
Habibi habibi I  
Want you so bad  
Habibi habibi I  
Habibi habibi I  
Habibi habibi I  
Losing my mind  
If my life was a dream  
Would you fall asleep to find me?  
It's so real (it's so real)  
How it feels (how it feels)  
Baby stay right here with me  
Fantasies of your love  
  
Searching my whole life to find you  
I would sleep to the sound  
Of your heartbeat everyday  
If i had the chance to  
Make you understand to  
Maybe I would find the words to say  
You know where I'm going  
I can see you glowing

Baby, it's a brand new  
Brand new day  
If i had the chance to  
Make you understand to  
Maybe I would find the words to say  
You know where I'm going  
I can see you glowing  
Baby, it's a brand new  
Brand new day  
Oh-oh  
Habibi habibi I  
Habibi habibi I  
Habibi habibi I  
Want you so bad  
Habibi habibi I  
Habibi habibi I  
Habibi habibi I  
Losing my mind  
Habibi habibi I  
Habibi habibi I ...  
Habibi habibi I  
Habibi habibi I ...
