Wet

Sean Van der Wilt

(Intro)Yea(VERSE 1)Hey
You are my star rocking diva
You are fully command control
You burn your turning the heat up
Your skin dripping with pheromones(PRE CHORUS)Baby get low
Grand derriere
You can show off
Like your stripping, strippingLet it all go
Hands in the air
Turning you on
Now your dripping, dripping(CHORUS)Wet, wet, wet, wet, wet, wet, wet,
Go all out and you're soaking now ain't ya
Wet, wet, wet, wet, wet, wet, wet,
I know you're hot all over your body
Wet, wet, wet, wet, wet, wet,
OH
Your soaking now ain't ya(VERSE 2)My nerves can't take the pressure
I beg your legs to cross the room
And your ass makes impressions
I get the sweats when I watch you move(PRE CHORUS)Baby get low
Grand derriere
You can show it off
Like your stripping, strippingLet it all go
Hands in the air
Turning you on
Now you're dripping, dripping(CHORUS)Wet, wet, wet, wet, wet, wet, wet,
Go all out and you're soaking now ain't ya
Wet, wet, wet, wet, wet, wet, wet,
I know you're hot all over your body
Wet, wet, wet, wet, wet, wet, wet,
Throw your clothes all over the floor if ya
Wet, wet, wet, wet, wet, wet,
OH
Your soaking now ain't ya(BRIDGE)Wet and wet and wild like a hottie
Hit that slip n' slide on your body
Dripping off skin like rain
Spitting back wicked ass veteran game
I can't blame you for being so vain
Bubble butt back on pretty tight frameHot like a skillet sizzle pop

Dropping and spilling give it all you got
I can see you working I'm a spray that hose
Girl I hope you brought another change of clothes
Change of clothes(CHORUS)Your soaking now ain't yaWet, wet, wet, wet, wet, wet, wet,
I know your hot all over your body
Wet, wet, wet, wet, wet, wet, wet,
Throw your clothes all over the floor if ya
Wet, wet, wet, wet, wet, wet,
OH
You're soaking now ain't ya
Wet, wet, wet, wet, wet, wet,
OH
Wet, wet, wet,
Your soaking now ain't ya(Outro)Gonna get ya wet ya'll
Gonna get ya wet
Gonna get ya wet ya'll
Gonna get ya wet
Gonna get ya wet ya'll
Gonna get ya wet
Gonna get ya wet ya'll
