Round the Clock

Dan + Shay

Wake up in the morning, t-shirt and coffee
Girl you already got me.
Midnight eyes a shining
Black dress in the city, baby you look so pretty.
You can make me wanna do
anything you want me to
tell me what you wanna do now
Cause you make it easy,
You get my heart beating out of my chest
and the rest doesnt matter
You are the reason,
For the way that I'm feeling now
and I aint ever gonna stop
loving you, loving you, round the clock.
(Ooh oh oh oh) x3
Loving you, loving you, round the clock.Stops when your walking
and I can't stop staring,
nah it aint what your wearing
and I get so excited
When i see your name on my phone
saying baby I'm home alone.
Girl you know I wanna do
anything you want me to
tell me what you wanna do now
Cause you make it easy
you get my heart beating out of my chest
and the rest doesnt matter
You are the reason
for the way that I'm feeling now and I aint ever gonna stop, loving you, loving you, round the clock.
(Ooh oh oh oh) x3Loving you, loving you...every minute, every day, every time I see your face, I just wanna love you out loud.
Girl you know I wanna do anything you want me to
tell me what you wanna do now
cause you make it easy....
Girl you know, you know, you know, you do it to me
Yeahhh...easy, you get my heart beating out of my chest, and the rest doesnt matter
You are the reason, for the way that I'm feeling now and I aint ever gonna stop, loving you, loving you, round the clock.
Loving you loving you round the clock babe.loving you, loving you, round the clock.
