

Superheroes

Daft Punk

Something's in the air
Something's in the air
Something's in the air
Something's in the air

Something's in the air
Something's in the air
Something's in the air
Something's in the air

Something's in the air
Something's in the air
Something's in the air
Something's in the air

Something's in the air
Something's in the air
Something's in the air
Something's in the air

Something's in the air
Something's in the air
Something's in the air
Something's in the air

Something's in the air
Something's in the air
Something's in the air
Something's in the air

Something's in the air
Something's in the air
Something's in the air
Something's in the air

Something's in the air
Something's in the air
Something's in the air
Something's in the air

Something's in the air
Something's in the air
Something's in the air
Something's in the air

Something's in the air
Something's in the air
Something's in the air
Something's in the air

Something's in the air
Something's in the air
Something's in the air
Something's in the air

Something's in the air
Something's in the air
Something's in the air
Something's in the air

Something's in the air
Something's in the air
Something's in the air
Something's in the air

Something's in the air
Something's in the air
Something's in the air
Something's in the air

Something's in the air
Something's in the air
Something's in the air
Something's in the air

Something's in the air
Something's in the air
Something's in the air
Something's in the air

Something's in the air
Something's in the air
Something's in the air
Something's in the air

Something's in the air

Something's in the air
Something's in the air
Something's in the-
