Introduction - Skip

Fort Minor

What up, Mike?
Um, we almost ready now my nigger
It's El Presidente, young hov, Jay Z
You know how the fuck we do it
Fort Minor, We Major
Man, what else can I tell you people?
Let's do it
And now for our feature presentation
Ladies and gentlemen let's get ready to rumble!
History in the making! Most incredibly!
Fort Minor: We Major
Ladies and gentlemen remember the name
Let me say it again
Fort Minor: We Major
You are not ready (yeah)
Cause this ride is about to begin
Sit down and buckle it in
For those of you that want to know what we're all about
The real hip hop (yeah)
How you doin' y'all?

My name's Mike Shinoda
Fort Minor, Green Lantern
Internationally known and respected
Machine Shop rockin' when we step inside
How you doin' y'all?
My name's Mike
Sick with a BIC pen all up in your shit man
Yeah you can comprehend it or compliment it it's all aunthentic
Wrong nights I perform like Mike
I'm fooling with the new shit, I'm doing it all night
Wrong nights I perform like Mike
I can quit and get it back like I'm riding a bike
Wait up a sec give me space to move
Room to prove I'm stupid with the P's and Q's
It's the young Shinoda
I done paid my dues, Machine Shop
Is back, this is front page news
Fort Minor

We Major
