## Shop Boyz

[[HOOK]]I'm in and out of town  
It's bout to go down  
26's on my Chevy  
And they spinnin round n round  
I be roooooooooollin  
I be rollin  
I be rollin  
I be roooooooooollin[FAT]Girl I be rollin through the city  
In a 'lac on 24's  
Or in a all white Lamborgini  
Hate the car but love the doors  
Aye on that motorcycle rider  
On that Mazarrati driver  
Got the CL with the V12  
Just because I like the power[MEANY]Got me a tan scraw hat  
My shades be black  
Got the pedal to the floor  
And my seat leaned back  
In a brand new car  
Cause I know I'm goin far  
Got the jewels around my neck  
Plus I'm lookin like a star[SHEED]I gotta keep me a girl  
Who'll blow me like a flute  
You might see me in yo city  
In a brand new Bentley Coupe  
Lookin cool as a fan  
My tool in my hand  
When I'm rollin  
Heyy when I'm rollin  
Yeaaaah[[HOOK]]I'm in and out of town
