

# Say Goodbye to the Blues

Walter Trout

Say goodbye, say goodbye to the blues

Say goodbye, say goodbye to the blues (say goodbye...)

The road has finally taken you (whoaaaa)

Where there ain't, where there ain't no more bad news  
It's a long road to heaven, and it's a rough, it's a rough,  
rough road to hell

It's a long road to heaven, and it's a rough, rough road to hell

There's a mystery awaiting us

What it is, what it is no one can tell (oooooh, yeah yeah)  
Play on, play on through the darkest night (oooooh)

Play on, play on through the darkest ni-ight

The road has finally taken you

Where ev'rything, ev'rything is gonna be allright

(ev'rything's gonna be allright: no more pain, no more sorro-oo)

end
