Oh Shit (1996 Remastered Version)

Buzzcocks

Oh shit, I thought you and I were friends
Oh shit, I guess this is where our love ends
Oh shit, I thought things were goin' well
But it hasn't turned out so swell, has it?Oh shit
Oh shit, pride comes before a fall
Oh shit, and once you lose one you've lost them all
Oh shit, I guess this time's the time
And it seem you're no longer mine, don't it?Oh shit
Oh shit
OhOh shit, I wish I'd known before now
Oh shit, that you were such a cow
Oh shit, I wouldn't've wasted my time
Oh shit, chasin' somethin' which wasn't mine, face it
You're shit
You're shitOh shit, I wish I'd known before now
Oh shit, that you were such a fuckin' cow
Oh shit, I wouldn't've wasted my time
Oh shit, chasin' somethin' which could never be mine, admitYou're shit
You're shit
You're shit
Admit, admit
You're shit, you're shit
You're shit, you're shit
You're shit
