

# Jenny

## WALK THE MOON

You got curves like the ocean, gonna take it in slow motion  
Got emotions that'll make it last  
You got freckles on your shoulder, ammunition like a soldier  
And visions, ambitions to be the best Oh and Jenny why don't we, Jenny why don't we be getting together  
I said Jenny shouldn't we, Jenny shouldn't we be getting together Jenny's got a body just like an hourglass  
But I'm taking my time, I'm taking my time  
I wanna be the sand inside that hourglass  
Take it slow, oh, oh, gonna make it last Jenny, got your number and I've got you for the summer  
It's a bummer that things go so fast  
It's been a ride like Days of Thunder but these days have been a-running  
Like sand through the hourglass I've been dreaming that we could, dreaming that we could be sticking together  
I got evidence cause every time I turn a corner, it's up against the wall  
And as the rest of the world fades out  
As the rest of the world fades out I'm thinking Jenny's got a body just like an hourglass  
But I'm taking my time, I'm taking my time  
I wanna be the sand inside that hourglass  
Take it slow, oh, oh  
Jenny's got a body just like an hourglass  
But I'm taking my time, I'm taking my time  
I wanna be the sand inside that hourglass  
Take it slow, oh, oh  
But I'm not gonna take it from you, I'll let you give it to me I said I'm not gonna take it from you, I'll let you  
give it to me J-J-Jenny's got a body just like an hourglass  
But I'm taking my time, taking my time  
I wanna be the sand inside that hourglass  
Take it slow, oh, oh  
Jenny's got a body, yeah  
Jenny's got a body, yeah  
I wanna be the sand inside that hourglass  
Take it slow, oh, oh, gonna make it last.
