Las brisas

Ibizarre

Cross over the border, we'll take a sailin' ship
Into the night, a sea without horizons
We'll have each others love to hold us tight
On a starless night
Oh Las Brisas, means the breeze will carry us
Like two birds in flight on a starless night
Oh penumbra, means the sunset that I see
Within your smile is the dawn of your eyes
Yo te amo, means I love you like
I've never loved before
Dreams come true, dear when I take you

In my arms forever more, forever more
Oh Las Brisas, means the breeze will carry us
Like two birds in flight on a starless night
Oh penumbra, means the sunset that I see
Within your smile is the dawn of your eyes
Penumbra, means the sunset that I see
Within your smile is the dawn of your eyes
Yo te amo, means I love you like I've never
Loved before, forever more, forever more
