

# Have You Ever Really Loved a Woman?

Stan Whitmire

To really love a woman, to understand her  
You gotta know her deep inside  
Hear every thought, see every dream  
An' give her wings when she wants to fly  
Then when you find yourself lyin' helpless in her arms  
You know you really love a woman When you love a woman  
You tell her, that she's really wanted  
When you love a woman you tell her that she's the one  
'Cuz she needs somebody  
To tell her that it's gonna last forever  
So tell me have you ever really  
Really, really ever loved a woman?  
Yeah To really love a woman, let her hold you  
Til' you know how she needs to be touched  
You've gotta breathe her, really taste her  
Til' you can feel her in your blood  
An' when you can see your unborn children in her eyes  
You know you really love a woman When you love a woman  
You tell her that she's really wanted  
When you love a woman you tell her that she's the one  
'Cuz she needs somebody  
To tell her that you'll always be together  
So tell me have you ever really  
Really, really ever loved a woman? Oh  
You've got to give her some faith, hold her tight  
A little tenderness, you gotta treat her right  
She will be there for you, takin' good care of you  
You really gotta love your woman, ya And when you find yourself lyin' helpless in her arms  
You know you really love a woman When you love a woman  
You tell her that she's really wanted  
When you love a woman you tell her that she's the one  
'Cuz she needs somebody  
To tell her that it's gonna last forever  
So tell me have you ever really  
Really, really ever loved a woman?  
Yeah Just tell me have you ever really  
Really, really, ever loved a woman?  
Oh  
Just tell me have you ever really

Really, really, ever loved a woman?
