

Candy Shop

Dan Finnerty and The Dan Band

Yeah...

Uh huh

So seductive I take you to the candy shop

I'll let you lick the lollipop

Go 'head girl, don't you stop

Keep goin 'til you hit the spot (whoa) I'll take you to the candy shop

I'll let you lick the lolli lollipop

Go 'head girl, don't you stop

Keep going 'til you hit the spot [Verse 1]

You can have it your way, how do you want it

You gon' back that thing up or should i push up on it

break it down for you now, baby it's simple

you'll be a nympho, i'll be a nympho

Got the magic stick, I'm the love doctor

your friends teasin you 'bout how sprung I gotcha Wanna show me how you work it baby, no problem

Get on top then get to bouncing round like a low rider

I'm a seasoned fit when it come to this shit

you work up a sweat you can play with the stick

I'm tryin to explain baby the best way I can

I melt in your mouth , fucking not in your hands (ha ha) [Chorus]

candy shop

I'll let you lick the lollipop

Go 'head girl, don't you stop

Keep on goin 'til you hit the spot (whoa) [Verse 2]

Give it to me baby, nice and slow

Climb on top, ride like you in the rodeo

You ain't never heard a sound like this before

Cause I ain't never put it down like this before I touch the right spot at the right time

Lights on or lights off, she like it from behind

So seductive, you should see the way she whine

Her hips in slow-mo on the floor when we grind

As Long as she ain't stoppin, homie I aint stoppin

Drippin wet with sweat man its on and popping

I'm tryin to explain baby the best that I can

I melt in your mouth , not in your hands [Chorus]

I take you to the candy shop

I'll let you lick the lollipop

Go 'head girl, don't you stop

Keep goin 'til you hit the spot (whoa) I'll take you to the candy shop

I'll let you lick the lolli lollipop
Go 'head girl, don't you stop
Keep going 'til you hit the spot (whoa)
