The General

Unleashed

Up he rose & forth they went
Into the battleground, fortress, tent
Mountains, wilderness, fielsd & farm
The soldier & the general arm in armOff they ride
Side by side"Through the travail of ages
Midst the pomp & toils of war
Have I fought, strove and perished
Countless times under the stars
As it through a glass and darkly
The ageal stripe I see
I fought in many guises, many names
But it was always me..."Off they ride
Side by sideI was there in...
Lived & died...So up he rose & forth they went
Into the battleground, fortress, tent
Mountains, wilderness, fielsd & farm
The soldier & the general arm in armOff they ride
Side by side
