

Dan Abnormal

Blur

La la la la
La la la la
La la la la
La la la la Meanie Leanie
Come on down
Come and entertain the town
It's Friday night and we're all bored
Time's been called
There is no more
Time's been called
It's such a bore Dan abnormal
Not normal at all
It's not his fault
We made him this way
He'll imitate you
Try to ape you
But it's not his fault
Dan watches TV
TV, TV, TV The meanie leanie stays up late
Mopes around
Gets in a state
It's the killer in your arcade
Shooting gangsters
Ready made
'Cos that is where
The future's made Dan abnormal
Not normal at all
It's not his fault
We made him this way
He'll imitate you
Try to ape you
But it's not his fault
Dan watches TV
TV, TV, TV, TV, TV, TV Dan went to his local burger bar
"I want McNormal and chips
Or I'll blow you to bits
Give us it" It's the miseries at half past three
Watching video nasties
He has dirty dreams when he's asleep

Dan's just like you and me
He's the meanie leanie
Altogether now Dan abnormal
Not normal at all
Oh, it's not his fault
We made him this way
He'll imitate you
Try to ape you
But it's not his fault
Dan watches TV Dan abnormal
Not normal at all
It's not his fault
We made him this way
He'll imitate you
Try to ape you
But it's not his fault
Dan abnormalities me La la la la
La la la la
La la la la
La la la la
