Search and Destroy

Tales Of Terror

I'm a street walking cheetah
With a hide full of napalm
I'm a runaway son of the nuclear A-bomb
Soul radiation in the dead of night
Love in the middle of a fire fightSomebody better help me please
Somebody better strike me blind
Baby detonates from meLook out honey, I'm using technology
Ain't got no time to make no apology
Soul radiation in the dead of night
Love in the middle of a fire fightSomebody better help me please
Somebody better strike me blind
Baby detonates from meOh honey I'm the world's forgotten boy
The one who's searchin', only to destroy
Oh honey I'm the world's forgotten boy
The one who's searchin', only to destroyTake it LyonLook out honey, I'm using technology
Ain't got no time to make no apology
Soul radiation in the dead of night
Love in the middle of a fire fightSomebody better strike me blind
Somebody better save my soul
Baby detonates from meOh honey I'm the world's forgotten boy
The one who's searchin', only to destroy
Oh honey I'm the world's forgotten boy
The one who's searchin', only to destroy
Forgotten boy
