# A Night Off

## Drake

Spending every moment in the studio
I never said it'd be fair
But when you're all alone
I hope you truly know
How bad I wanna be there
Come right in
Set your bag down
I took a night off for you
Go ahead and turn the lights off
But keep your heels on
They're fittin' for what I'm about to do
Know you hate explaining how you want it done
Just be quiet I'll do fine without your help girl
And you work without a second for some fun
Now you finally got a moment to yourself girl
And I know what to do with it
I know what to do with it
I know what to do with it
I know what to do with it
(Drake)
oh oh oh oh oh
(Lloyd)
oh oh oh oh oh ohh ooh hey
oh oh oh oh oh
yeah
I been waiting for so long to get you all alone
Now I finally got you right here.

So baby Imma lock my door
and disconnect my phone
Cuz I wanna make one thing clear
I want you on top
So let your hair down
I took the night off for you.
Girl Im gonna
Turn the lights off
But keep your heels on
They're fittin' for what we're about to do
(Drake)

Come right in
Set your bag down
I took a night off for you
Go ahead and turn the lights off
But keep your heels on
They're fittin' for what I'm about to do

Know you hate explaining how you want it done
Just be quiet I'll do fine without your help girl
And you work without a second for some fun
Now you finally got a moment to yourself girl
And I know what to do with it
I know what to do with it
I know what to do with it
I know what to do with it
(Lloyd)
Ohh
Its 6 o'clock in the morning at the studio
