

# Avalon

## Al Jolson

I found my love in Avalon  
Beside the bay.  
I left my love in Avalon  
And I sailed away.  
I dream of her in Avalon  
From dusk till dawn.  
So I think I'll travel on  
To Avalon.

Every morn' my memories stray  
Across the sea where flying fishes play.  
And as the night is falling  
I find that I'm recalling  
That blissful all-enthralling day.

Beside the bay.  
And I sailed away.  
I dream of her in Avalon  
From dusk till dawn.  
So I think I'll travel on  
To Avalon.
