

Walls (Circus)

Tom Petty & The Heartbreakers

Some days are diamonds
Some days are rocks
Some doors are open
Some roads are blockedSundowns are golden
Then fade away
And if I never do nothing
I'll get you back some day'Cause you got a heart so big
It could crush this town
And I can't hold out forever
Even walls fall downAnd all around your island
There's a barricade
It keeps out the danger
It holds in the painSometimes you're happy
Sometimes you cry
Half of me is ocean
Half of me is skyBut you got a heart so big
It could crush this town
And I can't hold out forever
Even walls fall down[Incomprehensible]And some things are over
Some things go on
And part of me you carry
Part of me is goneBut you got a heart so big
It could crush this town
And I can't hold out forever
Even walls fall downBaby you got a heart so big
Oh you could crush this town
And I can't hold out forever
Even walls fall down
They fall down[Incomprehensible]
Yes they do
They fall down
