

# Play With Fire

Hilary Duff

I can't believe it's really you, been so long, you look good  
I hear you're doing really well, don't ask me, let me tell you  
How Ive been since when you left, since you left me for dead  
Finally every tear has dried, I've wiped you from my life Do you remember all the times you said you'd call me?  
'Cause I remember all the reasons people warned me  
And now I hear youre saying that you still adore me  
But if you think I'd ever get with you again then you can just Love me, love me, feed the flame  
If you want me back again  
Burn to the sky, higher and higher  
Baby, can you play with fire?(Burn to the sky)  
Love me, love me  
(Burn to the sky)  
If you want me You never know just what you got till it's gone you freak out  
But Im not falling for that game, boys like you never change  
You made me feel I wasn't enough, wasn't enough for your love  
But it was insecurity that made you run, it wasn't me So don't you sit there trying to give me more excuses  
I don't have time for this, I'm off to play in Houston  
And Im too busy with a million things I'm doing  
You can't make up for what you've done, you still try to be the one Love me, love me, feed the flame  
If you want me back again  
Burn to the sky, higher and higher  
Baby, can you play with fire?(Burn to the sky)  
Love me, love me  
(Burn to the sky)  
If you want me Oh, by the way, by the way I found someone who gives me space  
Keeps me safe, makes me sane, found someone to take your place  
Now I am safe in his arms and I decided only he can play with fire Love me, love me, feed the flame  
If you want me back again  
Burn to the sky, higher and higher  
Baby, can you play with fire?(I cant believe it's really you)  
Love me, love me  
(I hear you're doing really well)  
If you want me  
(Finally every tear has dried)  
Love me, love me  
(Boys like you, boys like you)  
Play with fire
