Everytime i see you i think to my self
thinkin to myself

what if i got you alone
and we just took off your cloths
and i grab you by tha throat
and we just fuck to tha nornin
you wake up in my arms
and you just keep it a hunnid
tell me how much you love it
it aint nothin above it

Girl you fine aint no questions bout it no interviews
tell me girl is you feelin me like im feelin you

any time im not with you girl

Girl you fine aint no questions bout it no interviews
tell me girl is you feelin me like im feelin you
so tonight girl we naked so what we finna do
