

Have You Ever Been Lonely?

Paul Buchanan

Have you ever been lonely
Have you ever been blue
Have you ever been sorry too

I have often been lonely
I have always been true
I have often been sorry too

I know what to do
Love and hold each other now
Believe me, I'm caught up in loving you

All the children were [?]
The streets were yellow and blue
Tell me love didn't make the news

Shout it out from the rooftops
Wear your runaway shoes
All good that you ever know

I know what to do
Love and hold each other now
Believe me, I'm caught up in loving you

Caught up in loving you
