

# Opening Up (+ Ce Soir On Danse Interlude)

## Chromeo

Yeah, yeah, yeah, yeah  
Baby girl, you got me losing my cool  
Ever since I started rolling with you  
It's like you've got me opening up I thought I'd be a Casanova  
Ever since me and the girl broke up  
But now them lonely days are over  
She's back and she's got me opening up  
Opening up, opening up She's got me crying at the movies  
She's got me calling her after school  
I don't know what is going through me  
'Cause I can't stop myself from acting like a fool And I want it, and I need it  
And my heart goes boom boom boom  
Every time I feel it I can't call it, can't live without it  
Tell me what numbers are down  
'Cause I'm strung up on the wire  
She's got me opening up Yeah, yeah, yeah, yeah  
Baby girl, you got me losing my cool  
Ever since I started rolling with you  
It's like you got me opening up  
It's like you got me opening up Opening, opening, opening, opening up  
Opening, opening, opening, opening up Don't take it as some kind of diss  
I'm trying to be autonomous  
But every time you're gone, I miss  
Your type of touch, your type of kiss I never thought I'd be monogamous  
I guess that it is not a myth  
I won't be having none of this  
Calling lovers anonymous Yeah, yeah, yeah, yeah  
Baby girl, you got me losing my cool  
Ever since I started rolling with you  
It's like you got me opening up
