

Staring at the Light

The Living End

Times up heading for a brighter light
The foreign waters put the fire out
No one ever asked you
Wasn't meant to end this way
To end this way You're not alone now
You're closing in now Staring at the light so easily denied
Staring at the light released before your time
Staring at the light look on the other side
You never knew why it wasn't up to you Some may relish in the afterlife
Dancing slowly on the edge of a knife
Sipping wine of the poisonous kind
Overdose on loneliness Have no fear now we're on the case
Beyond there lies a better place
Where knowledge ends and faith begins
A hell to stand by and a heaven within Not alone now
You're closing in now [Chorus]
You're not alone now
You're closing in now [Chorus]
You never knew why it wasn't up to you, to you
Times are heading for a brighter light
