

Moments

Tove Lo

I grew up with a lot of green
Nice things 'round me
I was safe, I was fine
Grew up with a lot of dreams
Plans who to be
None of them know were mine
I love freaks, I don't care if you're a wild one
I love freaks, I don't care if you're a wild one
And me[Chorus:]
I, I'm not the prettiest you've ever seen
But I have my moments, I have my moments
Not the flawless one, I've never been
But I have my moments, I have my moments
I can get a little drunk, I get into all the drugs
But on good days I am charming as fuck
I can get a little drunk, I get into all the drugs
But on good days I am charming as fuck
I can be the perfect one
But I'll make you come
And I'm locked in you're mind
You can say I don't belong
That I'm so wrong
I can tell, tell you lie
I love freaks, I don't care if you're a wild one
I love freaks, I don't care if you're a wild one
And[Chorus][Bridge:]
Rough around the edges, memories and baggage
You know me
Never play the safe card, When I go I go hard
And now you know[Chorus]
