# Romper Stomper

## Boy Kicks Girl

("Evil" Kevin La Bounty 1996)
This is my history...
I find someone who blows my mind...
And then they always say to me, "I..."
"I... can not see you..."
This is my tragedy...
I find someone and think she's mine...
And when she leaves, I always say, "I..."
"I... want to see you..."
This is the irony...
I find someone who's warm and kind...
And now I always say to them, "I..."
"I... can't be with you..."
Because my history...
I find someone who blows my mind...
And then they always say to me, "I..."
"I... can not see you..."
Screw with my mind!
Do as you'd like!
I know all about your kind!
Know you're a fool!
Toy with emotion!
Pull all my strings!
Won't get the best of me!
Can't have my last bit of sanity!
Hey girl, how bout' we get together?
You're pretty nuff' to be my ex-girlfriend!
How bout' we both fall madly in love?
If you can't, maybe you could just pretend!
I'd rather see you drown! (x4)
