

Herbalz In Your Mouth

3rd Bass

Don't drink the milk
Why?
It's spoiled Eyes slow to open, alarm clock's broken
I'm steppin' out the bed but ain't a booty line spoken
Stick a 40 to my lips, I sips and I guzzle
A 40-dog 'Breakfast of Champs' it ain't a puzzle
Grips on my feet and step out my rest
I meet MC Dope Incredible and DJ Fresh
They got a demo, fiendin' for my headphones
So I throw it my system but it's so-so I said, "The weebles wobble, but I dabble in verbals
The movies that you're makin get the herbalz"
This ain't a Prince Paul loop from The Turtles
It's just 3rd Bass givin' y'all the herbalz Herbalz in your mouth
Everybody say herbalz in your mouth
Everybody say herbalz in your mouth
Hold up, weebles wobble, but they don't fall down Herbalz in your mouth
Everybody say herbalz in your mouth
From the north and to the south
Weebles wobble, but they don't fall down Weebles wobble, but they don't fall down
But them herbalz, they bobble and you see them all around
Them 501 blues can't hide the red apple
When I'm in a bodega, buyin' some Sn-apple Orange
Iced-Tea Skins are playin' nicety behind me
Scatterbrain no-name do you mind G? Spot the profile
And slips in the Search zone and wants a description of the bone
Hold up, wants a description of the bone?
Play AT and T and check the three on your telephone
D-E-F, then I left to break South and left a herbal in her mouth Herbalz in your mouth
Herbalz in your mouth
Everybody say herbalz in your mouth
Weebles wobble, but they don't fall down Herbalz in your mouth
3rd Bass givin' herbalz in the mouth
Herbalz in the mouth
Weebles wobble, but they don't fall down Herbalz
Herbalz
Herbalz Weebles to the weebles to the wobbles, to the herbalz
I don't drink milk when it curdles
'Cause then it's too pasty, French like pastry
It's like gettin' caught boostin' at Macy's

True indeed, Cogs well Cogs, and Sprockets at Spacely's
I make like George, and Jet-i-son safely
To my rest and not a Tribe but I'm Quest's
You got bad breath, then take a Certs with Retsin'Dribble dribble drabble say what, I beg your pardon
Quincy ain't convinced me, got my own 'Secret Gardens'
So now we boomin' out the speakers and amps true
Buggin' your nuts like the PMS cramps
Some falsified but I got bones to pick
The only nine you ever seen was in arithmetic
Herbalz given, how you livin'?
Yo I ain't played like a pseudo
Herbalz in your mouth, and mine are macanudoHerbalz in your mouth
Everybody say herbalz in your mouth
Say herbalz in your mouth
Everybody say herbalz in your mouth
A from the north, to the south
Everybody say herbalz in your mouthGot the herbalz in your mouth
Pete Nice, no herbalz, in his mouth
Richie Rich, no herbalz, in his mouth
Prince Paul, no herbalz in his mouth
Yes, yes man, got herbalz, where they at?
Got herbalzHerbalz in your mouth yo where they at they in your mouth
Herbalz in your mouth yo where they at they in your mouth
Herbalz in your mouth yo where they at they in your mouth
Mouth, mouth, mouth, m-m-mouth, m-m-mouthBut I see some skins, they got herbalz in their mouth
You need to break out, if you got herbalz in your mouth
Come now son, you got herbalz in your mouth
The her, the her herbal her erbalz
You got the her her the her the herbalz in your miggy-miggy-mouth
The mouth, how many times you got that
You got herbalz in your miggy-miggy-mouth
